Meeker, CO**

Pastor Dr. J.D. “Doc” Watson

Pastor Darryl Savage

While a community of only about 2,200, our town is church-saturated, with a total number of 18 churches at last count (another might pop up at any moment, with the so-called “Cowboy Church” being the latest imitation). This has made for a challenging ministry for the 34 years I have pastored here. But God blesses faithfulness, and He has done so abundantly through the years. Attendance has suffered at times as people moved away (and passed away), but God has brought in new folks and families. This has once again occurred dramatically in the last three or so years, and I believe that is partially due to the prayers of F.I.R.E. churches via this little prayer letter. What a wonderful ministry this is from King’s Cross Church, and we thank them for it.

So, we would ask for prayer once again along the same lines. Please pray for more new people, not for numbers’ sakes but for Truth’s sake. Pray for more people who are committed to the Truth and desire a local church that is driven by Christ, not the culture, those who want to be edified, not entertained.

Soli Deo Gloria,
Dr. J. D. Watson
